

Citizens' Ticket Wins.
SARATOGA, June 9.—A citizens' non-partisan ticket was successful yesterday at the first municipal election of officers for a commission form of city government which will become effective here June 22.

THE REASON FOR IT

In driving out the impurities by strengthening each organ of the body to do its work properly is the reason why Father John's Medicine is the best remedy ever prescribed for building up the system if you are run down.

No nerve deadening drugs or temporary stimulants to weaken the system and expose you to serious and fatal disease—all pure nourishment.—Adv't.

MORE ANNAPOLIS CADETS ACCUSED IN BIG SCANDAL

Ensign W. A. Confer, Who Has Just Got Diploma, and Midshipman A. C. Rogers Listed.

ANNAPOLIS, Md., June 9.—One ensign in the navy who became so with the receipt of his diploma upon graduation from the Naval Academy only last week, and an additional

midshipman of the second class were to-day made additional defendants before the Court of Inquiry which is investigating the "gouging" scandal at the institution.

That the scope of the investigation might, from time to time, widen and more midshipmen and former midshipmen now officers become involved had been expected, but that this step would be taken so quickly was something of a surprise.

The additional defendants are: Ensign W. A. Confer and Midshipman A. C. Rogers.

Midshipman Rogers was present when the announcement was made by the Court and at once joined the seven midshipmen who were defendants when the case opened. The Navy Department has been requested to order Ensign Confer to Annapolis immediately. He is on leave.

Commander Traut testified yesterday that the evidence derived from scraps of paper found outside the examination room tended to show that Confer had received assistance

and that a memorandum in the handwriting of Rogers contained both questions that were given in the examination and their answers.

At the opening of "to-day's" proceedings, Capt. Russell, President of the Court, delivered to the Judge Advocate a letter from Secretary of the Navy Daniels amplifying the precept under which the Court is acting to include an investigation of every phase of the preparation of questions by all the departments of the academy.

BURGULARS ROB JEWELRY STORE ON BROADWAY

Take Away a Lot of Bracelets, Rings and Watches at an Early Hour.

Burglars jimmied the front door of the jewelry store of Abraham Wexler, at No. 1372 Broadway, early to-day and got away with the contents of three showcases, valued at about \$2,000.

The front door of the jewelry store, which is just north of Thirty-seventh Street, was "ried" by Patrolman Fogarty of the West Thirty-seventh Street Police Station, just before 5 o'clock. An hour later he again came to the store and saw that the casing had been torn and cut. The door fell back at his touch, and, going in, he saw that the place had been ransacked, although the safe was untouched.

Evidently the thieves wore gloves for an investigation of the cases revealed no traces of finger prints. A large bag must have been used to carry out the articles taken, bracelets, rings and watches of the cheaper variety. The more valuable articles were locked up in a large safe. The burglary is the twelfth in the immediate neighborhood in the past three years.

WOMEN WANT TO FIGHT.

But Austria Rejects Their Plan to Be Allowed to Serve in Army.

BERLIN (via London), June 9.—From the town of Brixen, in the Austrian Tyrol, numerous requests have been received by the military authorities in Vienna from women begging to be allowed to serve in the ranks as soldiers. It has been explained that such service is impossible.

Summer weather has come to Berlin. It has been warm for several days past, and yesterday the thermometer registered 84 degrees Fahrenheit.

CHARGE LARCENY TO DOCTOR

Unsettled Husband Says He Paid \$200 for an Amusement.

Dr. Matthew T. Cumisky of No. 474 Grand Avenue, Brooklyn, was held in \$1,500 bail to-day by Magistrate McGuire in Flatbush Court on a charge of grand larceny made by William H. Fletcher, a machinist, of No. 73 Buffalo Avenue. He gave bond.

Fletcher charges he wished to annul his marriage to Rose Burke and that Dr. Cumisky promised to produce evidence that Mrs. Fletcher was already married before she married Fletcher. Fletcher says he paid the physician \$100 and then demanded action. Dr. Cumisky told him, he swore, that Carter Cumisky of No. 48 Wall Street, Manhattan, had charge of the matter. Fletcher's sister went there and was told Dr. Cumisky was not known.
